

SMMCTA Rep Self Evaluation

In an effort to review the effectiveness of our meetings and to identify specific ways we can improve our work and empower you as Reps, the following Self Evaluation has been created:

1 - Strongly Agree, 2 - Somewhat Agree, 3 - Somewhat Disagree, 4 - Strongly Disagree

a. The meetings are run efficiently.

1 2 3 4 Suggestion-----

b. The information provided at the meetings is informative and valuable.

1 2 3 4 Suggestion-----

c. The information at the meeting provides you with a good sense of the leadership's focus and work.

1 2 3 4 Suggestion-----

d. The meeting "climate" creates an atmosphere of collaboration and teamwork.

1 2 3 4 Suggestion-----

e. The climate and format provides ample time for Rep input and participation.

1 2 3 4 Suggestion-----

f. Do you think we should consider an alternative Annual Rep Council Schedule of meetings for 2010-11? (i.e.: Full Rep meetings every other month and "specialty meetings" on alternate months)

1 2 3 4 Suggestion-----

g. The leadership responds to questions in a professional manner.

1 2 3 4 Suggestion-----

h. The leadership is able to respond to questions from Reps on matters related to SMMUSD, state Education policies and budgets.

1 2 3 4 Suggestion-----

i. The handouts and materials provided at Rep meetings are informative and not too excessive or limited.

1 2 3 4 Suggestion-----

j. Reps are kept informed and updated on important information (via email or other forms of communications) between meeting dates.

1 2 3 4 Suggestion-----

k. The leadership responds to emails or phone calls from site Reps in a timely manner.

1 2 3 4 Suggestion-----

Please provide additional information to the following questions, which will help guide, our work:

1. What do you believe is the most valuable aspect of our monthly Rep meetings?

2. What can we do to improve our Rep meetings?

3. What can we do to further empower you as a Site Rep?

4. What do you believe SMMCTA's primary or top priority should be during these tumultuous economic times?
