

**Declaration of Candidacy
Secretary Board of Directors**

Jennifer Lipson - Teacher, Grant Elementary School
March 26, 2021

I would like to serve as association secretary during these challenging times. I have served as a Site Representative, as an Elementary Representative on the Executive Board, as SMMCTA Secretary and Treasurer. Currently, I serve as the Grievance Committee Chair. I seek to represent our members, to improve working conditions, and to give teachers a stronger voice in decision-making. Thank you for the opportunity to work to protect and enhance members' benefits and professional rights.
