Interdistrict Attendance

A. Although students generally must attend school in the district and school where their residence has been established, the Santa Monica-Malibu School District Board of Education recognizes justifiable reasons for interdistrict permits. Upon request, the Superintendent or designee may accept students from other districts and may allow students who live within the District to transfer to another school within the District or out of the District.

Beginning with the 2005-06 school year permits will be issued on a year-to-year basis. Parents must reapply to SMMUSD and be accepted for continued attendance each year. Students enrolled prior to the 2005-06 school year on a PERT or DERT permit will not be affected by this change.

Involuntary loss of housing resulting from: apartments being removed from the rental market (Ellis Act), buildings being red-tagged, or evictions to accommodate owner-occupancy should not interfere with a child completing his/her education in the Santa Monica-Malibu Unified School District. The permit office will require the applicant to obtain verification from the Rent Control Department or other appropriate legal agency. These students will be allowed to remain in their schools for the remainder of the year in which their housing has been lost. In addition, they will be allowed to remain in SMMUSD as permit students in subsequent years provided they meet all the conditions of students attending SMMUSD on permit, and they reapply annually. The Ellis Act allows California apartment owners to evict tenants if the landlords intend to withdraw their units from the rental market.

SMMUSD students in good standing who were residents of Santa Monica or Malibu during the 2001-2002 school year, and subsequently move to another city, will be allowed to remain in the Santa Monica-Malibu School district as permit students, upon receiving a permit from their district of residence and meeting all the conditions of students attending Santa Monica-Malibu Unified School District on a permit.

B. Permits of this type are to be initiated by the student's parent or guardian who attests to the fact or shows evidence that the permit would be in the student's best interests. Cancellation of the permit shall occur if certain provisions are not adhered to by the student or parent/guardian, or if overcrowding should occur at the school of acceptance.

C. The Board is committed to providing a quality education for all District students legally enrolled and will provide fair and consistent treatment for students and parent/guardians regardless of their residence or permit status. All applications for a permit will be treated in a fair and consistent manner.

D. Final approval of permits for all students, including students needing specialized programs, such as GATE, special education, ELL, etc., shall rest at the District and shall be contingent upon space, budget and staff availability. The District will not pay excess costs to provide specialized services to students on permit.

E. Except for the conditions listed below, effective September 2002, there will be a moratorium on the receipt of all new interdistrict attendance permits for schools in the Santa Monica-Malibu Unified School District. This moratorium shall continue through the 2014-15 school year with the following exceptions:

1. The District will accept applications for interdistrict permits to attend schools in the City of Santa Monica for grades K through 6 in order to stabilize the current number of interdistrict permit students in the District. Permits will be granted per the language of section D above. Regarding interdistrict permit applications for children of SMMUSD employees, please refer to section F2.

2. Requests for new interdistrict permits will be accepted for all schools in the City of Malibu. Permits will be granted per the language of section D. above.
3. No permits will be granted to attend Olympic High School.
4. The total number of all new interdistrict permits that will be accepted and approved for the 2011-12 school year will not exceed 200 for the District. Permits will be granted per the language of section D. above.
5. All students currently attending on an interdistrict permit will be allowed to remain in the District until they leave or graduate, assuming that they: reapply for a permit annually and comply with all the application requirements; uphold appropriate standards of behavior, attendance, and academic effort, and that the conditions under which the current permit was granted have not changed. Interdistrict attendance permits for 11th and 12th graders may not be rescinded although 11th and 12th graders must reapply for these permits annually.
6. Guidelines previously applied to SMASH, Edison, including the immersion program through Grade 8, and our preschools will remain in effect.

F. Requests for new permits will be received (granted) in the following order (Based on the timelines identified in Administrative Regulations 5117):

1. Intradistrict permits allowing children who are residents of the cities of Santa Monica and/or Malibu to attend a school other than their neighborhood school;

It is the intention of the District to provide same-school placement for all siblings in a family once an intradistrict permit has been granted, except in cases where students need a specialized program which is only available on another campus.

2. Interdistrict permits for children of employees of the Santa Monica-Malibu Unified School District [certificated, classified, management, full and part-time (a minimum of 15 hours per week)];

It is the intention of the District to provide a seat in a District school (K-12) to all children of District employees who have requested a new interdistrict permit, with the understanding that Section D will be considered. Staff will do its best to accommodate requests for a specific school but will not guarantee requested placement. On-going permit holders are not affected and will continue in the home school being currently attended.

3. If space, staffing and budget allow, interdistrict permits for:

- a. Those students "in good standing" who have been attending school/s within SMMUSD as a resident of the District, for a minimum period of three complete school years, and subsequently relocate outside the boundaries of SMMUSD. Permits will be granted per the language of section D above.
- b. Siblings (of current interdistrict permit holders) who will be entering Kindergarten, 1st, 6th, or 9th Grade. If a permit is received (granted) there is no guarantee of same-school placement. - d. Children of full-time, permanent employees of Santa Monica College enrolling in grades K-8 for the 2011-

12 school year.
